I understand that the examinee will alter my hair in ways which are in line with the examination protocol, and that I may not be the recipient of my preferred hairstyle. I also acknowledge that all facial hair will be removed during the shave portion of this examination. I understand that this is a fully volunteer commitment and no compensation is required by either the examinee or the Nova Scotia Registered Barbers Association. Should I be unable to make the scheduled date due to personal circumstances, I agree to give as much notice to the examinee as I possibly can to assure sufficient time is given to the examinee to find a replacement model.
